

Falkirk High School

Invicem Servite - To Serve One Another

Useful Apps for Learning

Microsoft Teams

Teams is an all in one virtual classroom that incorporates chat, video, Files, meetings, assignments, and apps in one central place. You are best to download this app onto your device.

Microsoft Office

This app combines Word, PowerPoint, Excel and more into one app. Pupils can use this in Glow to create and edit files also within Teams or download the individual apps at home onto their device.

Microsoft OneDrive

This app allows you to access files saved to cloud storage on any device. A great way to be able to access work both in school and at home.

Microsoft Lens

This app allows you to scan written work, turn an image into a document and much more! You can use Immersive Reader on printed text by taking a picture of it and uploading to the app.

Microsoft Notebook

Class Notebook is like an electronic jotter for pupils to take notes and complete tasks and keep all their work in one place. Downloading this app makes it easier for pupils to access on a mobile device.

Microsoft Outlook

Access your school (Glow) emails quickly and conveniently on the go!

These apps will require you to login using your Glow email (username@glow.sch.uk)

Useful Apps for Learning

School App

School
App for
Parents

This app will be used to share key communication messages from the school and local authority. Once downloaded simply search for Falkirk High school.

Show My Homework

This app will be used to provide and record homework which can be accessed by pupils at home or on your phone via the app. They will use their GLOW e-mail address to log in once you have set up an account.

Kahoot

This app allows you to join in any Kahoot quizzes your teacher set up on your mobile device or tablet.

BBC Bitesize

BBC
Bitesize

This app allows you to access online revision guides and multiple-choice tests on several subjects. You need to create a BBC account to access.

Scholar

SCHOLAR

This website gives you access to learning and revision materials for several National, Higher and Advanced Higher Courses. You are best to access this via Glow.

My World of Work

This website is run by Skills Development Scotland (SDS). It is the online one-stop-shop for careers information and advice. Pupils need to register with the site.

Twitter

Falkirk High school and most of the subject departments have a Twitter account. [@FalkirkHigh](https://twitter.com/FalkirkHigh)

Information is also available from the school website:
